

St Bart's 2020 Competition: Information for parents

During the time that St Bart's is closed, we are setting you a number of different and exciting activities to try to complete. Some will be easier than others and some will require you to be extra creative. Good luck!

When we return to school, certificates will be awarded to the children who complete as many of the tasks as possible. The competition is on!

For each challenge, you (with help from your family if needed) need to provide evidence to show you completed it. If you want, you could create a scrapbook to show your friends when you come back to school.

We will be awarding certificates and House Points when we return to school.

Completing at least 10 out of 30 - Bronze Certificate and 5 House Points.

Completing at least 20 out of 30 - Silver Certificate and 10 House Points.

Completing at least 29 out of 30 - Gold Certificate and 15 House Points.

Rules and Regulations

1. Using the table below, you need to provide some sort of evidence to show you have completed each task. This can be a parent's signature, a photograph, a drawn picture, an explanation or any other way you can think of.
2. Before completing each task, you will need to get permission from your parent/carer.
3. You can work together with people at home but you must be involved in the task.
4. Before we return to school, at the bottom of the table write the total number of activities that you completed.
5. Bring the sheet in when we all come back to school.

Top Tips

- 1) *Plan when you can do each task. If you think a task is too difficult, choose another task and come back to it.*
- 2) *Think about what resources you may need before you start the task (be creative and listen to your parents/carers).*
- 3) *Talk to your friends and family for helpful ideas.*

Number	Instruction	Evidence (drawing / parent's signature / explanation of what happened etc)
1	Create a den and read a book in your den.	
2	Create a treasure map and hide some treasure where X marks the spot.	
3	Learn or choreograph a dance routine.	
4	Make a thank you card to all the people in your home. You only have to make 1 card.	
5	Have a game of noughts and crosses and rock, paper scissors.	
6	Draw a picture of your favourite place to visit. The beach, the park, the fair or anywhere else.	
7	Complete 100 star jumps throughout the day. Does not have to be all in one go.	
8	Draw an alternative front cover for your favourite book.	
9	Build the highest tower you can with household items.	
10	Write your own poem. It needs to be at least 6 lines long.	

11	With help from an adult, make a snack for you and people in your house to enjoy.	
12	Write the instructions, so someone else can copy your recipe to make their own snack.	
13	Tidy your bedroom, without being asked. Your parent/carer needs to sign the box to prove you did it.	
14	Make a poster showing off what you know about a topic of your choice.	
15	If you can't already, practise doing your shoe laces. If you can, maybe you can help someone else learn or do theirs.	
16	Order your books or a pile of books alphabetically.	
17	Write a book review about your favourite book. Explain why it is your favourite.	
18	Try and learn a couple of jokes in order to make people laugh. You may even do a short comedy show.	

19	Design your own paper aeroplane.	
20	Write a letter for your teacher telling them about all the challenges you have completed. You may be best doing this towards the end of your challenge.	
21	Make your own game, it can be on paper, cardboard or anything else. You can make a completely new game or you can make your version of one you know already.	
22	Create an obstacle course in your garden.	
23	Create a video message that can be shared with your family/friends.	
24	Have a birthday party for one of your teddies or for the person who has a birthday soon.	
25	Help your parents/carer with a chore.	
26	Create your own superhero. Draw them and then write about them, explain their special powers.	
27	If you can watch a TV programme or a film and write a	

	review about it.	
28	Make a short fitness routine (use 5 different exercises) and show your family how to do them.	
29	Tell your parent/carer, brother, sister, nan, grandad 5 wonderful things about them.	
30	Design a poster celebrating completing all your completed activities.	

TOTAL COMPLETED: out of 30
