Curriculum Drivers

Resilience

Resilience will be taught throughout the curriculum. Children will learn through studying the Blitz and evacuation the importance of a resilient attitude.

Environment

Children will be learning about our local area using Digi-maps.
Children will be learning the importance of reducing, reusing and recycling materials to 'make do and mend' in order to look after the environment.

Diversity

We will learn about the importance of getting on with others by learning from the past.
We will be learning about the different countries that fought together in WW2.
Visiting cemeteries in Normandy.
